UC Extension Lists Spring Term Courses

Courses in management, the arts, psychology, space, living in California and real estate will be offered during the spring University of California Extension program for adults.

Among courses for which registrations are being accepted at the Extension office, 1221 Fourth Avenue, are:

Real estate — "Trends and Factors Influencing Real Estate," "Real Estate Practice," "Principles of Real Estate Appraisal," "Advanced Real Estate Appraisal," "Real Estate Exchanges and Taxation," "Marketing of Commercial and Investment Properties," and "Income Tax Aspects of Real Estate Transactions."

LECTURE SERIES

"Great Myths of Management," a lecture series which will include Allen Dulles, former Central Intelligence Agency director, on Feb. 26, and Clarence B. Randall, former board chairman and president of Inland Steel Co., on April 9.

The arts, a lecture series by Kingsley Widmer, William Bowne and Howard Brubeck.

"Individual Behavior in a Mass Society," a lecture series including Dr. Richard E. Ferson, director of the Western Behavioral Sciences Institute, and Dr. Frank N. Marzocco, head of the artificial intelligence and perception research staff, Systems and Development Corp., Santa Monica.

MOON EXPLORATION

"Lunar Missions and Explorations," a lecture series coordinated by Peter H. Snyder, training director of Navy Electronics Laboratory.

"Land and Life in California," a lecture series including Dr. Aubrey Wandling, San Diego State sociology professor; Neil Morgan, columnist for the Evening Tribune and Sunday editions of The San Diego Union; Earl Berne, phony conductor, and City Mgr. Tom Fletcher.
